

Living Water

Raymond Gregory/Bill Batstone

VERSE 1

You are the father of infinite mercy
I am a child of desperate need
I hear you say "Anyone who is thirsty
Come to the well of life and drink"

VERSE 2

I've wandered long in this desert of heartache
I've walked this dry and weary land
Unsatisfied, and scarred by my mistakes
Redemption's always been your plan
This world has no claim.
I am sealed by your name.

CHORUS

Living water, come and revive me
Quench my desire, and make me new
Living water, come and revive me
Put out this fire, I am thirsty for you
Only You. Only You

VERSE 2

Lord Only you can set me free from this longing
In you, my soul is satisfied
I feel Your presence like the Sun in the morning
Your love's a fount that won't run dry
Hear my cry, hear my plea
Spirit pour like a flood over me

REPEAT CHORUS

BRIDGE 4xs

Only You, Only You.
My soul longs for only you

REPEAT CHORUS
